## DOH-PINELLAS OFFICE IN PINELLAS PARK TO REOPEN ON MONDAY, MAY 24

After an 18-month renovation, the Pinellas Park office of the Florida Department of Health in Pinellas County will reopen for business on Monday, May 24.

The facility located at 6350 – 76<sup>th</sup> Avenue North in Pinellas Park underwent its first renovation since it opened in the early 1980s.

Services provided in this better organized, gleaming new facility include primary care, a dental clinic, family planning, breast and cervical cancer early detection, PrEP services, immunizations, and STD testing and treatment. Women, Infants and Children (WIC) clients can also receive services and education at this facility. For these services, please call (727) 547-7780.

COVID-19 vaccinations for people 12 years and older can also be obtained at the Pinellas Park office with an appointment on Tuesdays and Thursdays. To make an appointment for a COVID-19 vaccination, call (727) 824-6931.

The Pinellas Park office provides convenient access to public health and primary care services to residents in Pinellas Park, Lealman, Kenneth City and other southern mid-county communities. Normal hours for the facility are 8 a.m. until 5 p.m., Monday through Friday, excluding holidays.
